

# Yusei Nishiyama

**Address:** 58 Deanery Road, Bristol, UK, BS1 5AF **Phone:** +44 7454 037600 **Email:** [allegllet.scherzand@gmail.com](mailto:allegllet.scherzand@gmail.com)

**Languages:** English (C1), Japanese (Native) **Links:** [LinkedIn](#), [GitHub](#), [Personal Website](#), [Youtube](#)

## Work Experience

---

### iOS Tech Lead at Cookpad Ltd. (Aug 2014 - Present)

- Launched a core iOS application, [Cookpad](#), from scratch all by myself
- Helped the company grow the iOS team from 1 to 12 people by establishing engineering standards, interviewing candidates, building an onboarding process and running 1-on-1s with the members
- Rewrote the whole app from Objective-C into Swift
- Re-architected the app, which was initially MVC-based, with MVVM + Coordinator
- Set up a CI/CD pipeline with Jenkins, Fastlane, Danger and SwiftLint
- Built an internal web application in Golang that talks to Slack, GitHub and App Store Connect APIs to automate iOS-related operational tasks
- **Key Technologies:** Swift, Realm Database, MVVM, DI, CocoaPods, REST API, Jenkins, Fastlane and Firebase

### Software Engineer at MTI Ltd. (Apr 2012 - Aug 2014)

- Launched cross-platform gaming applications powered by Unity
- Launched a video editing iOS application and its custom shaders
- **Key Technologies:** Objective-C, Core Data, AVFoundation, GPUImage, Unity, Qualcomm Vuforia AR and C#

## Skills

---

- Proficient: Swift, Objective-C, Git, Jenkins
- Familiar: Ruby, Go, C#, Java, Unity, AWS

## Talks

---

- [Continuous Mobile App Delivery](#) at MobOS, Cluj-Napoca, Romania
- [Building iOS apps at scale](#) at iOSDevUK, Aberystwyth, UK and Mobilization, Łódź, Poland
- [Working at scale](#) at FrenchKit, Paris, France
- [Reduce build times and get home earlier](#) at CodeMobile, Chester, UK

## Publications

---

- [Continuous iOS App Delivery](#): A Medium post explaining how Cookpad iOS team enables one-week release cycle
- [Swift実践入門](#): A Japanese book about how to write practical code in Swift

## Education

---

- **B.A. in Aesthetics and Fine Arts**, Doshisha University (2008 - 2012)

## Certifications

---

- [AWS Solutions Architect Associate](#) (Jan 2019)
- [Machine Learning, Coursera](#) (Apr 2017)
